remembering people so maybe its just that. How are you doing?

Human 1: Did we dance together perchance?

Human 2: We might have, I don't remember that much of that night.

Human 1: Lol. Were you schwasty?

Human 2: Maybe a little bit. Where do you work?

Human 1: I'm a cardiologist in Palo Alto. I have a private practice. You?

Human 2: Thats pretty cool! I'm a sofa tester in cupertino.

Human 1: I'm not sure I know what that is.

Human 2: well its very simple, I test how comfortable sofas are.

Human 1: Lol. Not to be elitist but...that's a real job?

Human 2: Yeah! It is a very demanding job, requires a carefully crafted set of skills. They pay is really good too.

Human 1: Hi!

Human 2: Hello. Deia Vu
